Camp Lutherwood Oregon is open to all people for year-round camps, retreats, outdoor school, and events. We are located on 72 beautifully forested acres in the foothills of the Coast Range. With a new dining hall and commercial kitchen, 14 heated and air-conditioned cabins.

Camp Lutherwood is a children's camp. The mattresses are standard twin size. We will be assigning only bottom bunks, but you can use an upper if you so desire.

You must BRING YOUR OWN Bedding or Sleeping Bag, your own Pillow, and Towels.

A-FRAME CABINS

Capacity: 24 bunk beds between four cabins (6 per cabin)

Our largest cabins, the A-frames, are two separate buildings with a swinging door to create separate cabins in each. They boast six bunks on each side and wood panel floors. Located near the lower campfire and the creek, these cabins are immediately accessible to camp trails and meeting spaces. The central heated bathhouse shares a porch with each building and includes three toilets, three sinks, and two showers on each side.

DORM CABINS

Capacity: 20 beds between four cabins (5 per cabin, 4 bunk beds and 1 single)

The dorm cabins have a bathroom with a toilet, shower and sink inside each building. These cabins have laminate flooring and single beds along with four or five bunk beds. Located near the pool house and dining hall.

UPPER CABINS

Capacity: 36 bunk beds between six cabins (6 per cabin)

These rustic cabins have six bunks each, making them perfect for family accommodations as well as wedding, reunion, or retreat guests. Each cabin has recently been retrofitted with heating and air conditioning, making them ideal for all seasons. The upper cabins are immediately accessible to the back field recreation and upper camp trails. Bathrooms are accessible at the brand new upper cabin restroom.
